Request Number: FCC-FOIA-2026-000235

Request Title: Necessary consumer information for 22-5120W

Request Description: Hello,
I am requesting the following documents for the FCC ID 22-5120W:
- Block Diagram
- Schematics
- Parts List
- Operational Descriptions
This product is a portable charger without significant technology innovations and trade secrets that would be impacted the release of this data. Consumers would gain significant insight into one of the highest-power devices they own and carry, and would open the door to repairs and replacement parts that are not sold by the manufacturer.
